The Annual Meeting.

The 27th Annual Meeting was held at the Owain Glyndwr Institute on Friday, October 17th, 1930. The Meeting was presided over by Mrs. Bonsall, M.B.E., and was very well attended. In the course of her remarks she referred to the steps which were being taken in re-organising the work of the Hospital and District, which matters are referred to in the Hon. Secretary's Report. The Financial Report was presented by Mr. T. P. Rees, which shewed a balance in hand.

Treasurer's Report.

The Financial Report was given by Mr. T. P. Rees, Manager of Barclays Bank, and shewed receipts £1,126, including balances brought forward. Payments £801, leaving a balance of £325.

There was a debit balance of £10 9/11 on the Maternity Nurse Account, and on the Infant Welfare Centre Account a credit balance of £5 9/11.

The Report was adopted.

Infant Welfare Centre.

We are glad to report that the work of the Machynlleth Infant Welfare Centre continues to progress in a very gratifying way. This year the numbers on the register have increased to 91 from 82 of last year, and the average attendance has been most satisfactory. Most of the Mothers have learned to appreciate the advantage of regular attendance at the Clinic.

Thanks to kind friends we were able to hold the Annual Party on January 2nd, and it was much enjoyed by all. 120 Mothers and babies being present.

This Summer again Nurse Morris organised a very successful picnic to Aberdovey. Early in the year we held a small Sale of babies' woollen clothes which had been kindly knitted by members and friends of the Committee. As the articles were sold for the price of the weight

of the wool in each garment, they were much appreciated by most of the Mothers. This year again we would like to acknowledge the receipt of £1 1s. from the Machynlleth Women's Institute, with which we were able to purchase Dr's coat for the Medical Officer.

The Secretary's Report.

The following is a Summary of the Hon. Secretary's Report :—

MATERNITY NURSE REPORT.

The District Midwife attended 31 cases during the year and paid 420 visits.

<i>Infant Welfare.</i> —No. on Books...	41

The Nurse attended the Infant Welfare Clinic 12 times during the year, visited the National and Council Schools 20 times and assisted Dr. Richards, M.O.H. for the County at the Annual Inspection when 65 from the National School and 87 from the Council School were examined.

20 Children were treated at Newtown Infirmary for adenoids, tonsils and defective eyesight.

There were no midwifery cases when the Inspector visited the District, but the books and equipment were reported to be satisfactory.

REPORT OF DISTRICT WORK.

The number of cases nursed was 193 (the highest on record).

REPORT OF HOSPITAL WORK.

The number of Patients admitted during the year was 61. Men 27, Women 20, Children 14.

Surgical Cases 40. Medical 21. Patients recovered 53. Relieved 3. Transferred to other Hospitals 4, and 1 Death.

No. of Patients in Hospital on September 30th 4. 23 major and 17 minor operations were performed. No. of Nights Duty by Staff, 30, and 187 part nights.

Patients were admitted from the following Districts—Machynlleth 32. Derwenlas 5. Llanwrin 4. Lampeter 2. Melinbyrhedyn 2. Aberhosan 2. Aberllefenni 2. Corris 2, and 1 from Abercegir, Cemmaes Road, Cemmaes, Ceinws, Pennal, Penegoes, Glandyfi, Glasbwl, Forge and Uwchygarreg.

The number of cases admitted free of charge was 18, and 64 children attended the Hospital Clinic for minor ailments.

Miss E. Smith, the Superintendent of Nurses for North Wales and Miss Bennions, one of the Inspectors of Queen's Nurses visited the District during the year, and the following is a summary of their Reports—

“The Hospital and equipment were in very good order, and much valuable work continues to be done both intern and extern, but the work has outgrown the original arrangements and there seems to be a great need of another fully trained Nurse.”

The work in the Hospital and on the District continues to be carried on in an efficient manner, and it much appreciated.

In presenting her monthly Report on Sept. 4th the Matron pointed out that the work in the Hospital and on the District had increased to such an extent that she found it impossible to cope with both

A sub-committee was appointed, and on their recommendation the Committee unanimously decided to appoint another Queen's Nurse. Her duties will consist of the general work of the District—Town and Country—together with the town and country Schools. She will also be expected to take charge of the Hospital during the Matron's absence on holidays. We much regret that this will necessitate our dispensing with the services of Nurse S. M. Morris—the District Midwife—who has served the Association faithfully and efficiently for 10 years. According to the agreement made with Nurse Morris, she was debarred from practising within a radius of 10 miles for a period of five years after the termination of her engagement with the Association. The Committee has waived that clause and released her from her obligation, thus allowing her to practice as a Midwife and Nurse in the town and district.

The Committee hopes that this arrangement will be for the benefit of all concerned, and will make for efficiency and skill in the nursing of the sick in their homes, and it is to be hoped that when this arrangement has matured, the District will be well catered for, and we have every confidence that the inhabitants of the town and district will continue their wholehearted support. To meet this extra expense the Matron has agreed to a reduction in her salary and staff board allowance.

Several Committees have been held since the 1929 Annual Meeting to consider the advisability of erecting a new Hospital and three alternative schemes have been under consideration—

- (a) The expansion of the present building ;
- (b) The securing of a site on the Park Common ;
- (c) The purchasing of land on the Newtown Road, opposite Newlands.

In connection with scheme (a) the Committee concurred with the opinion of the Architect consulted that this was impracticable. As to scheme (c) the following resolution was passed at the Annual Meeting —“That we decline with grateful thanks Mr. David Davie's offer of a site on the Newlands Estate at a reduced price, being of opinion that the Park Common site would be more suitable in view of our obtaining it free of cost.”

Again this year we have to thank many kind friends who have sent gifts to the Hospital. We are also very grateful for the following donations and Gifts—Glasbwl Sheep-dog Society,—proceeds of Trials and Sports ; Machynlleth Women's Institute—donation ; Llanwrin —donation ; Machynlleth Snowdrop Band—donation ; Corris Cottage Gardener's Association ; Mr. Studd—proceeds of “Auto-Scooter” entertainment, and the members of the Machynlleth County School Old Students Association,—a “Lawson Tait” bedstead suitably inscribed, in memory of the old boys who lost their lives in the Great War. Two special efforts were organised during the year ; a Pavement Collection arranged by the Matron and a Jumble Sale of which Mrs. F. J. Davies and Mrs. J. Elias Jones were Secretaries, both of which were very successful.

We regret that since the last meeting we have lost one of the first supporters of the Association in the passing of Miss Howell, Aberdovey. Miss Howells was an Hon. Member of the Committee and always took an interest in the work.

Owing to illness we have been deprived of the services of Mrs. J. G. Jenkins, our Hon. Vice-President and first Hon. Secretary of the Association. We are sorry not to be able to benefit by her wise counsel in the changes that are now taking place.

The Meeting closed with an expression of thanks to the Doctors, Nurses, Auditor, and Collectors. Also to Mrs. Bonsall for so ably presiding.

The Officials were re-elected.
